

## The 2005 Saturn ION Red Line

*The ION Red Line, shown in Black Onyx with available aero-wing spoiler.*

The performance-tuned ION<sup>®</sup> Red Line has all the hallmarks of a car built for the racetrack. Under the hood, the 205-hp engine is supercharged, intercooled and paired with a heavy-duty five-speed close-ratio manual transmission. With a zero-to-sixty time of 6.3 seconds, this is a car you can miss with the blink of an eye. Learn more at [saturn.com](http://saturn.com).

Visit [saturn.com](http://saturn.com). It's the closest you can come to kicking the tires without leaving home.

Black Onyx

Silver Nickel

Pacific Blue

Chili Pepper Red

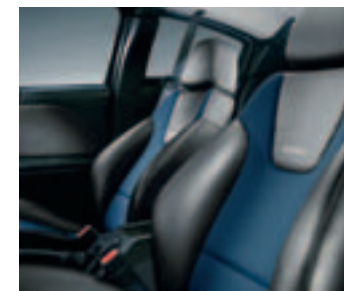

## Wheels

17" Standard Forged Alloy

205-hp 2.0-liter, supercharged engine

Leather-accented RECARO Sport Seats

Available aero-wing spoiler

Heavy-duty five-speed manual transmission with close-ratio gearing and short-throw shifter

## Vehicle Exchange Program

Within the first 30 days or 1,500 miles of delivery, whichever comes first, the original purchaser may exchange his or her Saturn vehicle if not completely satisfied. In the event that an owner returns his or her vehicle, he or she will exchange it for another new 2005 Saturn vehicle. See retailer for limitations and restrictions. All the same factory-supported initiatives will be included on the exchange vehicle that were in the original vehicle. The vehicle must be returned in the condition in which it was delivered, without damage or excessive wear and tear. If non-warranty repairs equal to or greater than \$300 have been performed or are necessary, the vehicle is not eligible to be returned. If less than \$300, the damage must be repaired or the estimate deducted from the credit toward the exchange vehicle.

## Warranty

This warranty is for GM vehicles registered in the USA. See your Saturn retailer for terms and conditions. Covered for 3 years/36,000 miles, whichever comes first: the complete vehicle, tires, towing to your nearest Saturn retailer, cosmetic corrosion resulting from defects, repairs made to correct any vehicle defect, with no charge for most warranty repairs. Covered for 6 years/100,000 miles, whichever comes first: rust-through corrosion.

<sup>1</sup>Cargo and load capacity limited by weight and distribution. <sup>2</sup>Service fees apply. Available only in the 48 contiguous United States. Visit [www.gm.xmradio.com](http://www.gm.xmradio.com) for system details. <sup>3</sup>Head Curtain Side Air Bags are designed to help reduce the risk of head and neck injuries to front and rear seat occupants on the rear side of certain side impact collisions. Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Handbook for more safety information. ©2004 Saturn Corporation. Saturn and its logo are registered trademarks of Saturn Corporation. People first is a trademark of Saturn Corporation.
