Vehicle Exchange Program

Within the first 30 days or 1,500 miles of delivery, whichever comes first, the original purchaser may exchange his or her Saturn vehicle if not completely satisfied. In the event that an owner returns his or her vehicle, he or she will exchange it for another new 2005 Saturn vehicle. See retailer for limitations and restrictions. All the same factory-supported initiatives will be included on the exchange vehicle that were in the original vehicle. The vehicle must be returned in the condition in which it was delivered, without damage or excessive wear and tear. If non-warranty repairs equal to or greater than \$300 have been performed or are necessary, the vehicle is not eligible to be returned. If less than \$300, the damage must be repaired or the estimate deducted from the credit toward the exchange vehicle.

Warranty

This warranty is for GM vehicles registered in the USA. See your Saturn retailer for terms and conditions. Covered for 3 years/36,000 miles, whichever comes first: the complete vehicle, tires, towing to your nearest Saturn retailer, cosmetic corrosion resulting from defects, repairs made to correct any vehicle defect, with no charge for most warranty repairs. Covered for 6 years/100,000 miles, whichever comes first: rust-through corrosion.
