

The 2005 Saturn VUE

The VUE AWD V6 with retailer-installed side step bars and roof rack, shown in Chili Pepper Red.

It's practical and luxurious, rugged and comfortable, commute-friendly and getaway-oriented, all at the same time. Thoughtfully designed with a fold-flat front passenger seatback, rear cargo organizer, air conditioning with a dust and pollen filter, and available OnStar® System,¹ the Saturn VUE® will take you just about anywhere. See more at saturn.com.

17" Available Alloy (FWD V6)

Available leather-wrapped steering wheel

Fold-flat scuff-resistant front passenger seatback

Vehicle Exchange Program

Within the first 30 days or 1,500 miles of delivery, whichever comes first, the original purchaser may exchange his or her Saturn vehicle if not completely satisfied. In the event that an owner returns his or her vehicle, he or she will exchange it for another new 2005 Saturn vehicle. See retailer for limitations and restrictions. All the same factory-supported initiatives will be included on the exchange vehicle that were in the original vehicle. The vehicle must be returned in the condition in which it was delivered, without damage or excessive wear and tear. If non-warranty repairs equal to or greater than \$300 have been performed or are necessary, the vehicle is not eligible to be returned. If less than \$300, the damage must be repaired or the estimate deducted from the credit toward the exchange vehicle.

Warranty

This warranty is for GM vehicles registered in the USA. See your Saturn retailer for terms and conditions. Covered for 3 years/36,000 miles, whichever comes first: the complete vehicle, tires, towing to your nearest Saturn retailer, cosmetic corrosion resulting from defects, repairs made to correct any vehicle defect, with no charge for most warranty repairs. Covered for 6 years/100,000 miles, whichever comes first: rust-through corrosion.

¹Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. ²Cargo and load capacity limited by weight and distribution. ³Maximum trailer ratings are calculated assuming a properly equipped vehicle, except for any options necessary to achieve the ratings, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your retailer for details. ⁴Requires Power Package. ⁵Requires CD/MP3 player. Not available with power sunroof. ⁶Available on FWD 4 manual; standard on all other models. ⁷Service fees apply. Requires CD/MP3 player or six-disc CD changer. Available only in the 48 contiguous United States. Visit www.gm.xmradio.com for system details. ⁸Head Curtain Side Air Bags are designed to help reduce the risk of head and neck injuries to front and rear seat occupants on the near side of certain side impact collisions. Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Handbook for more safety information. ⁹Not available at start of production. ©2004 Saturn Corporation. Saturn and its logo are registered trademarks of Saturn Corporation.
