**1** Cargo and load capacity limited by weight and distribution. **2** Always use safety belts and the correct child restraint for your child's age and size. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the vehicle Owner's Manual and child safety seat instructions for more information. **3** Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. **4** Requires uplevel sound system.
