

2007 SATURN VUE

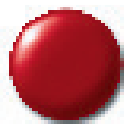

The world is filled with places to go and gear to bring. Set out for adventure in the 2007 VUE, now available with a hybrid system, four-cylinder or V-6 engine. Safety comes standard, featuring the confidence of OnStar® as well as the National Highway Traffic Safety Administration's (NHTSA's) top rating of five stars for frontal and side-impact crash tests! For almost every place you go, the VUE can help you get there. Visit saturn.com/vue.

*One-year Safe & Sound Service Plan is standard. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. †Five-star rating is for the driver and passenger in the frontal crash test and for the front and rear occupants in the side-impact crash test. Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (safercar.gov).

2007 Saturn VUE shown in Chili Pepper Red with available features.

3 16-inch, alloy	–	S	S	–
4 17-inch, alloy	–	–	A	S

1 Estimates based on GM testing. EPA estimates not yet available. 2 Cargo and load capacity limited by weight and distribution. 3 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Saturn retailer for additional details. 4 Not available with DVD Entertainment System. 5 Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the vehicle Owner's Manual and child safety seat instructions for more information. 6 Head-curtain side-impact air bags are designed to help reduce the risk of head injuries to outboard front- and rear-seat occupants during certain side-impact collisions. 7 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. 8 XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xmradio.com for more details. 9 Included and available only with leather-appointed seats. 10 RDS functions only where stations broadcast RDS information. 11 Not available with power sunroof, AM/FM stereo with CD/MP3 player, AM/FM stereo with in-dash six-disc CD/MP3 player, or AM/FM stereo with CD player.
