

2007 SATURN VUE RED LINE

Big 18-inch alloy wheels on wide, low-profile tires combine with custom ground effects to lower the VUE Red Line's look and streamline its aerodynamics. And with a 250-horsepower engine, you get performance that puts the sport back in sport utility vehicle. Inside, ambient footwell lighting in both Warm Amber and Cool Blue highlight the chrome-accented pedals. While the Black leather-trimmed front sport seats with Black sueded-fabric inserts and bolsters help your body corner right along with the VUE Red Line. Visit saturn.com/vueredline.

Saturn VUE Red Line shown in Black Onyx.

WHEELS/TIRES	
18-inch, seven-spoke, alloy with P245/50R18 Performance tires	S

¹ Official EPA estimates not yet available. Estimates based on GM testing. ² Cargo and load capacity limited by weight and distribution. ³ Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the vehicle Owner's Manual and child safety seat instructions for more information. ⁴ Head-curtain side-impact air bags are designed to help reduce the risk of head injuries to outboard front- and rear-seat occupants during certain side-impact collisions. ⁵ Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. ⁶ RDS functions only where stations broadcast RDS information. ⁷ Included and only available with AM/FM stereo with DVD/CD/MP3 player. Not available with power sunroof. ⁸ XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xmradio.com for more details. Requires CD/MP3 player.
