

Saturn AURA Green Line in Deep Blue shown with optional equipment.

## 2008 Saturn AURA™ Green Line Hybrid

**Rethink status.** The AURA Green Line Hybrid makes it easier for everyone to own a hybrid. Our engineers developed a system simple and remarkably affordable. In fact, it's the most affordable midsize hybrid sedan on the market.\* At an EPA estimated 24 MPG in the city and 32 MPG on the highway, it lets you go green without spending a lot of green. Limited availability. To get a better look, visit [saturn.com/auragreen](http://saturn.com/auragreen).

\*Based on base MSRP and latest available competitive information. Level of equipment varies. Tax, title, license, retailer fees, and optional equipment extra. Based on 2008 Mid-Car/Sedan segment. Excludes other GM vehicles.

**1** Cargo and load capacity limited by weight and distribution. **2** Requires Preferred Package. **3** Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. **4** Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. **5** RDS functions only where stations broadcast RDS information. **6** Available only in the 48 contiguous United States. Required \$12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. Subscription subject to customer agreement. For more information, visit gm.xmradio.com.
