2008 Saturn SKY® Red Line

Rethink joyride. We gave the SKY Red Line a Sport-Tuned suspension with stiff springs and firm shocks to take on almost every corner you come across. A 260-hp turbocharged engine that goes from 0 to 60 in just 5.5 seconds. Brakes to get back to 0 again in just 116 feet.* And 18-inch polished alloy wheels and performance tires to help keep you planted on the road. Better fasten your sunscreen. Limited availability.

*Based on GM testing.
