

Saturn VUE Red Line shown in Ruby Red.

2008 Saturn VUE® Red Line

Rethink street smarts. The VUE Red Line was designed for performance inside and out. The 360-degree ground effects are the first thing you'll notice along with 18-inch alloy wheels with low-profile tires. We also gave it a Sport-Tuned suspension for precise handling and cornering. A 257-horsepower 3.6L V6 engine for impressive performance. And Ebony leather appointments and bolstered sport seating to help keep you exactly where you belong — in the driver seat.

Highway emergency kit	Rear cargo tray
License plate frame	

¹ Cargo and load capacity limited by weight and distribution. ² Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. ³ Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. ⁴ RDS functions only where stations broadcast RDS information. ⁵ Not available with Saturn Advanced Audio System. ⁶ Map coverage not available in Puerto Rico, the Virgin Islands and portions of Canada. ⁷ Requires available Saturn Advanced Audio System. ⁸ Requires available AM/FM stereo with CD/MP3 player and DVD-based navigation. ⁹ Available only in the 48 contiguous United States. Required \$12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. Subscription subject to customer agreement.
