

## Rethink point A to point B. The ASTRA.

The ridiculously fun to drive sport compact. We've rethought the sport compact by making it functional and stylish with a 1.8 Liter ECOTEC® engine that offers an EPA estimated 32 MPG highway.<sup>1</sup> Available in two hatchback body styles — a nimble 3-Door and a versatile 5-Door — the ASTRA is a sleek, curve-hungry car that's big on connecting you to the road. Sure, it offers room for five, but it's the German-engineered performance that will really make your hands sweat and your foot twitch.

Saturn ASTRA 5-Door XR  
in Black Sapphire.

EPA estimated **32** MPG highway

### 2009 SATURN ASTRA SELECT SPECIFICATIONS

Silver Sand

Arctic White

Star Silver

Black Sapphire

<sup>1</sup> With five-speed manual transmission. <sup>2</sup> Cargo and load capacity limited by weight and distribution. <sup>3</sup> Requires available air conditioning. <sup>4</sup> Requires available Sport Handling Package. <sup>5</sup> Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. <sup>6</sup> Call 1-888-4ONSTAR (1-888-466-7827) or visit [onstar.com](http://onstar.com) for details and system limitations. <sup>7</sup> Summer-only tires tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. You may want to get different tires if you expect to drive in winter conditions. See your retailer for proper tire selection. <sup>8</sup> Some accessories may not be available on all models. See retailer for details.
