2008 Saturn AURA™ Green Line Hybrid

Rethink status. The AURA Green Line Hybrid makes it easier for everyone to own a hybrid. Our engineers developed a system simple and remarkably affordable. In fact, it's the most affordable midsize hybrid sedan on the market.* At an EPA estimated 24 MPG in the city and 32 MPG on the highway, it lets you go green without spending a lot of green. Limited availability. To get a better look, visit saturn.com/auragreen.

*Based on base MSRP and latest available competitive information. Level of equipment varies. Tax, title, license, retailer fees, and optional equipment extra. Based on 2008 Mid-Car/Sedan segment. Excludes other GM vehicles.
